5 Choose the best answers to complete the text.

Once the fear of flying (1) to stop many people from getting on a plane. But then airline companies started to offer Fearless Flyer courses and travelling has never been easier. We can read lots of success stories of people who (2) they were never going to take a flight again, but then, after a ground session with a pilot, haven't stopped flying since. One of these stories reads as follows: 'I've always loved travelling, and this fear (3) to ruin my holidays as well as my friendships. Normally, my friends (4) and I (5) a train, or more than one. Once it took me two days to join my friends, and they weren't happy at all. Then I (6) about the Fearless Flyer course. I must confess that when I booked I thought I (7) my money, but I was wrong. The pilot and the flight assistant were amazing – they explained to us how to control our fear, how a plane flies, and then answered all our questions. My flight was the next day. I was a bit nervous, but the flight assistant was always telling us exactly what (8) at each moment. Then I did the relaxation techniques they (9) us the day before, and by the time the plane (10), all my fears had gone.'
